Pearland Girls Softball Association (PGSA) is a non-profit organization seeking businesses concerned with our community to support our girls' softball teams. PGSA offers a positive environment of sportsmanship, fundamentals, teamwork, and competition that will help our players reach their athletic goals. The association is composed of a group of committed coaches, parents, and volunteers working together to support our young athletes. PGSA's mission is to create athletes who will become good leaders, students and team players.

Your sponsorship will help to offset the cost of field maintenance, equipment, insurance, awards, and officials. In addition, PGSA may provide scholarships to young athletes thus, providing the opportunity for them to participate in organized youth sports. No one working in our organizations receives any pay- we are an all-volunteer organization. Any donation you are able to give to our teams is tax deductible and both welcome and appreciated.

To sponsor our organization or one of our teams, please complete this form and return to PGSA. Upon receipt of your generous donation, PGSA will send you a confirmation letter of receipt that includes our Fed ID number for tax purposes. All donations made to our association are tax-deductible. In addition, we will keep you updated on the progress of our team and invite you to join us to see how your contribution benefits our youth.

Thank you in advance for your support of our children. If you have any questions please do not hesitate to contact us at mkuzmiak@comcast.net or at the contact below:
