Our organization is nonprofit, self-supported, and relies on sponsor donations and fundraising. We strive to help our young girls build self-esteem, learn the importance of teamwork, and good sportsmanship while preparing for the next level of competition. As a sponsor you are playing an important role in assisting these young ladies in attaining these goals. Below is a sample of what the NEW scoreboard would look like, the sponsor board would be 21" H x 8' W the scoreboard itself would be 5' H x 8' W. Your sponsorship would last for five (5) years and you would have the extended rights to retain the sponsorship for \$1000 on a one (1) year continuum.

Sponsorship of scoreboard is \$4500.00. This is a great opportunity for your company to receive exposure and recognition in supporting a local organization that is important to our community.
